

Mokaji Home Stay Policy 2022

company eco tourism means give extra rooms of your house or rooms of your extra lying

property to tourists in big and metro cities. In return, property owners can get better income.

Mokaji Also today the guest wants to stay in such an environment which is like home. The guest of the same category will be diverted on the property of the home stay in which the category of the guest will be there.

Which has the following categories. ,

1. Family
2. Male or Female Group or Individual.
3. Newly Married Couple.
4. Friends Tour Open Mind.
5. Company Person for Tours

It will be decided only at the time of deciding the property, as well as in the agreement it will be decided that which category of guest will stay at which home stay.

Also, the food of the guest, according to the category of which it will be, the complete details will be filled at the time of booking the guest online.

Mokaji Company, which will work on Mokaji Home Stay Policy similar to Airbnb Home Stay. In which Mokaji will send its direct booking to the attached property.

Think of it as if A guest comes to visit Jodhpur. Guest can be in both domestic or abroad. The guest does not like to stay in hotels nor does he like to eat in hotels or restaurants. In such a situation, a new option is going on in the tourism industry. That those who have big or extra houses, they give their property to such companies for home stay i.e. home stay agreement with such houses. In which the property owner should book the rooms of his house with the best setup of empty attached letbath according to the daily rent and let the guest stay.

At the same time, make arrangements for food from your home with home stay or serve food according to the guest. Whose charge will be given separately from guest room rent.

Mokaji company will make arrangements for tourists in all major cities of Rajasthan in 2022 on home stay policy. In which we will choose such a home stay in which the guests coming from all the four directions of the city can make their booking at the best location of the city.

The policy of home stay is very much liked by the tourists today. Which apart from urban areas, villages and towns around the highway in rural areas can also be its best location setup.

So Mokaji company will very soon implement the system of home stay in all the big cities of Rajasthan.

Also, soon Mokaji Company will start working on its home stay policy. In which the team of Mokaji company in Rajasthan, Gujarat, Maharashtra, Madhya Pradesh, Punjab, Haryana and Uttarakhand will start work on the home stay model.

Therefore, if the home stay property in the road side of the main cities and highways of the above states belongs to any person. In

which the necessary setup for the tourist is engaged, contact the team of Mokaji Company.

Mokaji Company will work with home stay owners on fixed percentage or on monthly rental policy.

I am Moti Singh Rathod Founder and Director of Mokaji Company. According to the main home stay concept, all such property owners whose properties are lying vacant, which have 7 to 8 rooms or 8 to 10 rooms together with two or four nearby properties, are final in one location.

Nowadays, due to their vehicles and other best arrangements, the owner can earn a lot of money from the extra property built and lying near the tourism location along with the big cities and towns and villages built on the side of the highway.

Therefore, if rooms are vacant in any town or village in All India, then join us and earn excellent income.

So what are you thinking? Send your location and details of property and rooms. So that the team of Mokaji company can contact you.

Thank you
